

Chapter 002 Prefixes and Suffixes in Medical Terms

True / False Questions

1. Prefixes modify the meaning of a word part.

True False

2. Prefixes can attach at the beginning or at the middle of a word.

True False

3. Suffixes can only form nouns.

True False

4. Suffixes attach at the end of words.

True False

5. Medical terms do not necessarily have a word root.

True False

6. Word roots can appear in a combining form.

True False

7. All terms use combining vowels.

True False

Chapter 002 Prefixes and Suffixes in Medical Terms

Multiple Choice Questions

8. The prefix meaning without is:

- A. a-
- B. de-
- C. contra-
- D. cata-

9. The prefix meaning away from is:

- A. ante-
- B. anti-
- C. apo-
- D. ab-

10. The prefix meaning toward is:

- A. ex-
- B. re-
- C. ad-
- D. an-

11. The prefix meaning both is:

- A. co-
- B. ambi-
- C. dia-
- D. ana-

12. The prefix meaning up is:

- A. ana-
- B. apo-
- C. sub-
- D. post-

Chapter 002 Prefixes and Suffixes in Medical Terms

13. The prefix meaning before is:

- A. anti-
- B. ante-
- C. peri-
- D. bi-

14. The prefix meaning against is:

- A. anti-
- B. brady-
- C. peri-
- D. syl-

15. The prefix meaning separate is:

- A. auto-
- B. supra-
- C. super-
- D. apo-

16. The prefix meaning self is:

- A. auto-
- B. hemi-
- C. semi-
- D. brachy-

17. The prefix meaning twice is:

- A. tri-
- B. bi-
- C. quadri-
- D. de-

Chapter 002 Prefixes and Suffixes in Medical Terms

18. The prefix meaning short is:

- A. brady-
- B. peri-
- C. brachy-
- D. dia-

19. The prefix meaning slow is:

- A. brachy-
- B. oligo-
- C. meso-
- D. brady-

20. The prefix meaning down is:

- A. cata-
- B. di-
- C. contra-
- D. auto-

21. The prefix meaning around is:

- A. dia-
- B. circum-
- C. ex-
- D. pro-

22. The prefix meaning against is:

- A. contra-
- B. dia-
- C. ex-
- D. peri-

23. The prefix meaning through is:

- A. dia-
- B. ex-
- C. peri-
- D. auto-

24. The prefix meaning abnormal is:

- A. inter-
- B. dys-
- C. post-
- D. ud. ltra-

25. The prefix meaning outside is:

- A. ecto-
- B. hypo-
- C. peri-
- D. infra-

26. The prefix meaning within is:

- A. inter-
- B. endo-
- C. auto-
- D. multi-

27. The prefix meaning over is:

- A. iso-
- B. mal-
- C. epi-
- D. hypo-

Chapter 002 Prefixes and Suffixes in Medical Terms

28. The prefix meaning good is:

- A. eu-
- B. mal-
- C. mono-
- D. poly-

29. The prefix meaning out of is:

- A. retro-
- B. iso-
- C. infra-
- D. ex-

30. The prefix meaning external is:

- A. exo-
- B. intra-
- C. endo-
- D. post-

31. The prefix meaning outside of is:

- A. meta-
- B. para-
- C. extra-
- D. intra-

32. The prefix meaning half is:

- A. meso-
- B. hemi-
- C. iso-
- D. poly-

Chapter 002 Prefixes and Suffixes in Medical Terms

33. The prefix meaning above normal is:

- A. hyper-
- B. hypo-
- C. mega-
- D. sub-

34. The prefix meaning below normal is:

- A. hyper-
- B. pre-
- C. mesd.
- D. hypo-

35. The prefix meaning positioned beneath is:

- A. supra-
- B. infra-
- C. inter-
- D. re-

36. The prefix meaning between is:

- A. inter-
- B. intra-
- C. extra-
- D. meta-

37. The prefix meaning within is:

- A. supra-
- B. meta-
- C. intra-
- D. inter-

Chapter 002 Prefixes and Suffixes in Medical Terms

38. The prefix meaning equal is:

- A. iso-
- B. meta-
- C. ana-
- D. extra-

39. The prefix meaning bad is:

- A. auto-
- B. mal-
- C. meso-
- D. trans-

40. The prefix meaning large is:

- A. mega-
- B. meso-
- C. supra-
- D. ultra-

41. The prefix meaning middle is:

- A. hemi-
- B. semi-
- C. meso-

43. The prefix meaning small is:

- A. poly-
- B. micro-
- C. macro-
- D. multi-

44. The prefix meaning single is:

- A. mono-
- B. poly-
- C. tri-
- D. bi-

45. The prefix meaning many is:

- A. post-
- B. multi-
- C. iso-
- D. pro-

46. The prefix meaning few is:

- A. multi-
- B. mega-
- C. oligo-
- D. pluri-

47. The prefix meaning several is:

- A. poly-
- B. pluri-
- C. mono-
- D. multi-

Chapter 002 Prefixes and Suffixes in Medical Terms

48. The prefix meaning many is:

- A. poly-
- B. mega-
- C. mono-
- D. post-

49. The prefix meaning before is:

- A. ex-
- B. post-
- C. endo-
- D. pre-

50. The prefix meaning four is:

- A. quadri-
- B. bi-
- C. tri-
- D. mono-

51. The prefix meaning fast is:

- A. brady-
- B. brachy-
- C. mega-
- D. tachy-

52. The prefix meaning one is:

- A. uni-
- B. tri-
- C. bi-
- D. quadri-

Chapter 002 Prefixes and Suffixes in Medical Terms

53. The suffix meaning pain is:

- A. -astherna
- B. -algia
- C. -esthesia
- D. -cide

54. The suffix meaning immature is:

- A. -blast
- B. -clasis
- C. -cele
- D. -ema

55. The suffix meaning killing is:

- A. -cele
- B. -cide
- C. -emesis
- D. -gen

56. The suffix meaning protein is:

- A. -cele
- B. -megaly
- C. -opsia
- D. -globin

57. The suffix meaning breaking is:

- A. -ectomy
- B. -clasis
- C. -lysis
- D. -iasis

Chapter 002 Prefixes and Suffixes in Medical Terms

58. The suffix meaning cell is:

- A. -cyte
- B. -emia
- C. -oma
- D. -edema

59. The suffix meaning skin is:

- A. -edema
- B. -desis
- C. -derma
- D. -esthesia

60. The suffix meaning expansion is:

- A. -ecstasis
- B. -algia
- C. -malacia
- D. -phagy

61. The suffix meaning removal of is:

- A. -lysis
- B. -clasis
- C. -ecstasis
- D. -ectomy

62. The suffix meaning swelling is:

- A. -edema
- B. -ema
- C. -blast
- D. -phaged

Chapter 002 Prefixes and Suffixes in Medical Terms

63. The suffix meaning condition is:

- A. -para
- B. -ema
- C. -pheresis
- D. -poiesis

64. The suffix meaning blood is:

- A. -emia
- B. -ema
- C. -cele
- D. -blast

65. The suffix meaning sensation is:

- A. -form
- B. -gen
- C. -esthesia
- D. -paresis

66. The suffix meaning in the shape of is:

- A. -form
- B. -oma
- C. -gen
- D. -ad

67. The suffix meaning producing is:

- A. -iasis
- B. -cele
- C. -genic
- D. -emic

Chapter 002 Prefixes and Suffixes in Medical Terms

68. The suffix meaning a recording instrument is:

- A. -meter
- B. -graph
- C. -logy
- D. -gen

69. The suffix meaning pathological condition is:

- A. -ecstasis
- B. -emia
- C. -trophy
- D. -iasis

70. The suffix meaning inflammation is:

- A. -itis
- B. -iasis
- C. -pathy
- D. -phagy

71. The suffix meaning movement is:

- A. -phoresis
- B. -paresis
- C. -desis
- D. -kinesis

72. The suffix meaning condition of is:

- A. -paresis
- B. -desis
- C. -lepsy
- D. -kinesis

Chapter 002 Prefixes and Suffixes in Medical Terms

73. The suffix meaning practice is:

- A. -logy
- B. -clastic
- C. -philia
- D. -plasty

74. The suffix meaning destruction of is:

- A. -mania
- B. -paresis
- C. -kinesis
- D. -lysis

75. The suffix meaning softening is:

- A. -lysis
- B. -clasis
- C. -malacia
- D. -pheresis

76. The suffix meaning measuring device is:

- A. -graph
- B. -gram
- C. -graphy
- D. -meter

77. The suffix meaning like is:

- A. -oid
- B. -ad
- C. -ic
- D. -itis

Chapter 002 Prefixes and Suffixes in Medical Terms

78. The suffix meaning tumor is:

- A. -pexy
- B. -oma
- C. -parous
- D. -pathy

79. The suffix meaning vision is:

- A. -oma
- B. -edema
- C. -opsia
- D. -emia

80. The suffix meaning state is:

- A. -osis
- B. -desis
- C. -logy
- D. -pathy

81. The suffix meaning slight paralysis is:

- A. -plegia
- B. -paresis
- C. -pepsia
- D. -pexy

82. The suffix meaning bearing is:

- A. -paresis
- B. -genic
- C. -parous
- D. -paresis

Chapter 002 Prefixes and Suffixes in Medical Terms

83. The suffix meaning disease is:

- A. -pathy
- B. -phagy
- C. -clasis
- D. -osis

84. 84.The suffix meaning deficiency is:

- A. -pathy
- B. -opsia
- C. -pepsia
- D. -penia

85. The suffix meaning digestion is:

- A. -pepsia
- B. -pexy
- C. -dynia
- D. -globin

86. The suffix meaning devouring is:

- A. -philia
- B. -phage
- C. -lysis
- D. -clasis

87. The suffix meaning attraction is:

- A. -phage
- B. -philia
- C. -phoria
- D. -pexy

Chapter 002 Prefixes and Suffixes in Medical Terms

88. The suffix meaning fear is:

- A. -algia
- B. -phoresis
- C. -phobia
- D. -philia

89. The suffix meaning carrying is:

- A. -form
- B. -logist
- C. -phoresis
- D. -opsy

90. The suffix meaning formation is:

- A. -plasm
- B. -form
- C. -phonia
- D. -megaly

91. The suffix meaning surgical repair is:

- A. -plasia
- B. -plasty
- C. -ectomy
- D. -tomy

92. The suffix meaning paralysis is:

- A. -lysis
- B. -clasis
- C. -pexy
- D. -plegia

Chapter 002 Prefixes and Suffixes in Medical Terms

93. The suffix meaning breath is:

- A. -plegia
- B. -pnea
- C. -poiesis
- D. -pheresis

94. The suffix meaning heavy discharge is:

- A. -rrhagia
- B. -rrhaphy
- C. -clastic
- D. -plegia

95. The suffix meaning surgical suturing is:

- A. -rrhea
- B. -rrhagia
- C. -rrhaphy
- D. -plasty

96. The suffix meaning a flowing is:

- A. -rrhea
- B. -rrhaphy
- C. -rrhexis
- D. -somnia

97. The suffix meaning an instrument is:

- A. -graphy
- B. -metry
- C. -logy
- D. -scope

Chapter 002 Prefixes and Suffixes in Medical Terms

98. The suffix meaning sleep is:

- A. -desis
- B. -somnia
- C. -scopy
- D. -rrhea

99. The suffix meaning contraction is:

- A. -spasm
- B. -stasis
- C. -stenosis
- D. -tropia

100. The suffix meaning constant is:

- A. -stalsis
- B. -stasis
- C. -plasm
- D. -tropy

101. The suffix meaning narrowing is:

- A. -stasis
- B. -stenosis
- C. -desis
- D. -clasis

102. The suffix meaning opening is:

- A. -tomy
- B. -ectomy
- C. -stomy
- D. -trophy

Chapter 002 Prefixes and Suffixes in Medical Terms

103. The suffix meaning cutting operation is:

- A. -ectomy
- B. -stomy
- C. -phage
- D. -tomy

104. The suffix meaning nutrition is:

- A. -trophy
- B. -tropy
- C. -stomy
- D. -stasis

105. The suffix meaning a turning toward is:

- A. -trophy
- B. -pheresis
- C. -phoresis
- D. -tropy

106. The suffix meaning urine is:

- A. -uria
- B. -rrhea
- C. -rrhexis
- D. -rrhagia

107. The suffix meaning turning is:

- A. -trophy
- B. -stasis
- C. -version
- D. -osis

45. (p. 26) The prefix meaning many is:

- A. post-
- B.** multi-
- C. iso-
- D. pro-

The prefix multi- means many.

BLOOMS: Knowledge
Difficulty: Easy
LEARNING OUTCOME: 2.1

46. (p. 26) The prefix meaning few is:

- A. multi-
- B. mega-
- C.** oligo-
- D. pluri-

The prefix oligo- means few.

BLOOMS: Knowledge
Difficulty: Easy
LEARNING OUTCOME: 2.1

Chapter 002 Prefixes and Suffixes in Medical Terms **Key**

47. (p. 26) The prefix meaning several is:

- A. poly-
- B. pluri-**
- C. mono-
- D. multi-

The prefix pluri- means several.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.1

48. (p. 26) The prefix meaning many is:

- A. poly-**
- B. mega-
- C. mono-
- D. post-

The prefix poly- means many.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.1

49. (p. 26) The prefix meaning before is:

- A. ex-
- B. post-
- C. endo-
- D. pre-**

The prefix pre- means before.

BLOOMS: Knowledge

Difficulty: Easy

Chapter 002 Prefixes and Suffixes in Medical Terms **Key**

50. (p. 26) The prefix meaning four is:

- A.** quadri-
- B. bi-
- C. tri-
- D. mono-

The prefix quadri- means four.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.1

51. (p. 27) The prefix meaning fast is:

- A. brady-
- B. brachy-
- C. mega-
- D.** tachy-

The prefix meaning fast is tachy-.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.1

52. (p. 27) The prefix meaning one is:

- A.** uni-
- B. tri-
- C. bi-
- D. quadri-

The prefix uni- means one.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.1

Chapter 002 Prefixes and Suffixes in Medical Terms **Key**

53. (p. 27) The suffix meaning pain is:

- A. -astherna
- B. -algia**
- C. -esthesia
- D. -cide

The suffix –algia means pain.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

54. (p. 27) The suffix meaning immature is:

- A. -blast**
- B. -clasis
- C. -cele
- D. -ema

The suffix –blast means immature.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

55. (p. 27) The suffix meaning killing is:

- A. -cele
- B. -cide**
- C. -emesis
- D. -gen

The suffix –cide means killing.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

62. (p. 28) The suffix meaning swelling is:

- A.** -edema
- B. -ema
- C. -blast
- D. -phaged

The suffix –edema means swelling.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

63. (p. 28) The suffix meaning condition is:

- A. -para
- B.** -ema
- C. -pheresis
- D. -poiesis

The suffix –ema means condition.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

64. (p. 28) The suffix meaning blood is:

- A.** -emia
- B. -ema
- C. -cele
- D. -blast

The suffix –emia means blood.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

Chapter 002 Prefixes and Suffixes in Medical Terms **Key**

65. (p. 28) The suffix meaning sensation is:

- A. -form
- B. -gen
- C. -esthesia**
- D. -paresis

The suffix –esthesia means sensation.

BLOOMS: Knowledge
Difficulty: Easy
LEARNING OUTCOME: 2.2

66. (p. 28) The suffix meaning in the shape of is:

- A. -form**
- B. -oma
- C. -gen
- D. -ad

The suffix –form means in the shape of.

BLOOMS: Knowledge
Difficulty: Easy
LEARNING OUTCOME: 2.2

67. (p. 28) The suffix meaning producing is:

- A. -iasis
- B. -cele
- C. -genic**
- D. -emic

The suffix –genic means producing.

BLOOMS: Knowledge
Difficulty: Easy
LEARNING OUTCOME: 2.2

Chapter 002 Prefixes and Suffixes in Medical Terms **Key**

68. (p. 29) The suffix meaning a recording instrument is:

- A. -meter
- B. -graph**
- C. -logy
- D. -gen

The suffix –graph means a recording instrument.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

69. (p. 29) The suffix meaning pathological condition is:

- A. -ecstasis
- B. -emia
- C. -trophy
- D. -iasis**

The suffix –iasis means pathological condition.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2

70. (p. 29) The suffix meaning inflammation is:

- A. -itis**
- B. -iasis
- C. -pathy
- D. -phagy

The suffix –it is means inflammation.

BLOOMS: Knowledge

Difficulty: Easy

LEARNING OUTCOME: 2.2
