ESSAY

1. Discuss the U.S. government's challenge to the Arizona immigration law of 2010 and how it demonstrates a debate over federalism.

ANS:

Answers will vary.

2. Explain the concept of dual federalism and its essential premises.

ANS:

Answers will vary.

3. Identify the key elements of cooperative federalism.

ANS:

Answers will vary.

4. Identify a Constitutional provision that supports the idea of states' rights, and identify a Constitutional provision that does not.

ANS:

Answers will vary.

5. Discuss how the Great Depression changed the relationship between the federal government and the states.

ANS:

6.	Discuss how the Supreme Court has interpreted the commerce clause since the 1990s.
	ANS: Answers will vary.
7.	Explain the difference between categorical grants and block grants. In the process, distinguish between the two types of categorical grants.
	ANS: Answers will vary.
8.	Discuss how the federal government has grown in reaction to the 9/11 terrorist attacks and the economic downturn in 2008.
	ANS: Answers will vary.
9.	Discuss three Supreme Court decisions that reflect the Court's changing conception of the limits of federal power.
	ANS: Answers will vary.
10.	Explain what <i>preemption</i> means, and identify recent trends in its use and the issues that have been addressed.
	ANS: Answers will vary.
11.	Discuss the advantages and disadvantages of multiple local governments.
	ANS: Answers will vary.
12.	Why do politicians with gubernatorial experience often succeed in national elections?
	ANS: Answers will vary.
13.	Discuss how both dual and cooperative federalism support the pluralist model in different ways.
	ANS: Answers will vary.
14.	Describe three of the ways since the 1960s that states have become more capable and forceful policy actors.
	ANS: Answers will vary.
15.	Compare the attitudes of conservatives and liberals to those of states' rights.

Answers will vary.
